## Note:

After a maintenance and repair on products of h/p/cosmos are always electrical safety measurements necessary according to DIN VDE 0701-0702 (DIN EN 50699) for sports equipment, or VDE 0751-1 (IEC / DIN EN 62353) & IEC TR 62354 for medical equipment. Please note that h/p/cosmos authorized technicians should only perform maintenance and repair on h/p/cosmos products. The documentation of any service work will be done via the service report (cos11689en-01), the test protocol (cos11690en-03e) and display control form (cos15987en-01). Any damage due to improper or illegally installation are not subject of the guarantee of h/p/cosmos.

Please always include the serial number for all orders! All prices are non-binding, plus VAT (within Germany) and plus shipping costs. Furthermore apply our GTCBs: <https://www.hpcosmos.com/en/gtcb>
