

### Applications

- |  |  |   |  |
|--|--|---|--|
| <input type="checkbox"/> Fitness / Walking | <input type="checkbox"/> Performance diagnostics | <input type="checkbox"/> Sports science | <input type="checkbox"/> Sprint / Overspeed training         |
| <input type="checkbox"/> Motion analysis   | <input type="checkbox"/> Rehabilitation          | <input type="checkbox"/> Cycling        | <input type="checkbox"/> Biomechanics / Gait analysis        |
| <input type="checkbox"/> Athletics         | <input type="checkbox"/> Physiotherapy           | <input type="checkbox"/> Roller ski     | <input type="checkbox"/> Fire brigade respiratory protection |
| <input type="checkbox"/> Cardiology        | <input type="checkbox"/> Neurology               | <input type="checkbox"/> Inline skating | <input type="checkbox"/> Army / Police Force                 |
| <input type="checkbox"/> Ergospirometry    | <input type="checkbox"/> Angiology               | <input type="checkbox"/> Wheelchair     | <input type="checkbox"/> Environmental chamber               |

### Specifications

- Running surface      length \_\_\_\_\_ cm / width \_\_\_\_\_ cm
- Speed                    from \_\_\_\_\_ km/h up to \_\_\_\_\_ km/h      Display options:  m/sec     mph
- Acceleration            from \_\_\_\_\_ up to \_\_\_\_\_ m/sec<sup>2</sup>
- Elevation                from \_\_\_\_\_ % up to \_\_\_\_\_ %      Display options:  ° Degree

### Standards

- Interface for ...       Printer                     PC                     Potential isolation transformer
- Interface for ...       ECG \_\_\_\_\_       Ergospirometry \_\_\_\_\_
- Heart rate controlled load       IEC EN 60 601-1       CE mark                     medical CE<sub>xxxx</sub>
- ISO 9001 certificate       EN 46001 certificate       approval / certificate \_\_\_\_\_

### Options

- PC software       Arm support               Safety arch / fallstop      Additional: \_\_\_\_\_
- Downhill               Remote control           Adjustable handrails      \_\_\_\_\_

### Notes

- Worked with running machines before?       no                     yes, model \_\_\_\_\_
- Special demands on the device \_\_\_\_\_
- Special environment conditions \_\_\_\_\_
- Room size, height, max. floor load \_\_\_\_\_
- Budget \_\_\_\_\_ €      Investment date \_\_\_\_\_      Delivery date \_\_\_\_\_

### Institution

- Company \_\_\_\_\_
- Department \_\_\_\_\_      Contact \_\_\_\_\_
- Street \_\_\_\_\_
- Zip code \_\_\_\_\_      City \_\_\_\_\_      Country \_\_\_\_\_
- phone \_\_\_\_\_      email \_\_\_\_\_
- fax \_\_\_\_\_      www \_\_\_\_\_
- Date \_\_\_\_\_      Signature \_\_\_\_\_
